

After A Year Of "Peace"

Tito Given Bill From U.S.

Washington, Sept. 4 (AP) — The United States handed Yugoslavia a blank bill for damages today with a sharp notice that it expects Marshal Tito's government to pay the full amount when it is written in.

If Tito agrees, this country stands ready to write "finished" to the incidents in which two unarmed American transport planes were forced down by Yugoslav fighters at a cost of five American lives.

Should Tito refuse, the United States might have to dust off its 13 day old threat to take the case before the United Nations Security Council.

Most American officials concerned with the matter appeared to believe Tito would agree to indemnity terms, following his recent expression of regret over the incidents and assurances that they would not recur.

But no one was willing to predict for the record the Yugoslav premier's reaction.

Molotov Is Still Absent

Paris, Sept. 4 (AP)—The Four-Power Foreign Ministers' council met for the second time during the Paris Peace conference today with Deputy Foreign Minister Andrei Vishinsky representing the Russians.

Soviet Foreign Minister V. M. Molotov, who earlier was reported by a French foreign ministry official to have returned from Moscow, was not present when the meeting opened.

French Foreign officials said their later information was that Molotov had not returned, and Russian sources said their best information was that the Soviet chief delegate would not be back until "sometime late this week."

A French foreign ministry official earlier had said Molotov returned this morning and that the four foreign ministers would meet to discuss peace conference problems.

Molotov left Paris Saturday. British sources said the meeting of foreign ministers was requested by Vishinsky.

132 Dead In Bombay Riots

Bombay, Sept. 4 (AP)—Casualties resulting from bitter Hindu-Muslim clashes which began in Bombay Sunday soared to 132 dead and 484 wounded today following a night of sporadic violence during which police several times opened fire to disperse rioting mobs.

The disorders occurred mostly in the northern section of the city but extended to the main business section, where mobs tried to break into stores and attempted to burn a house of worship. Streets in curfew areas were littered with rocks hurled at police patrols.

Under the threat of further trouble many places of business closed their doors, while markets began to feel the pinch of a food shortage as deliveries fell off.

A health menace developed in one troubled section where sewers became clogged and workers refused to clean them in fear of their lives.

A government communique said the general situation showed "no signs of improving."

Greek Vote Protested

Athens, Sept. 4 (AP)—Authoritative quarters in the leftist EAM announced today a decision to challenge in the Greek Supreme Court the validity of last Sunday's plebiscite which the government has reported resulted in an overwhelming majority for the return of King George II from exile.

The challenge, it was stated, would be based on allegations of fraud, violence and falsification, and the case will be heard before the end of September.

Radical military elements of the EAM challenged the Greek government in an uprising in December, 1944.

The decision was disclosed as the total vote cast Sunday neared 100 per cent of the estimated total registration. The king was officially reported to have received 69 per cent of the vote with only 136 precincts left uncounted.

TOWN COUNCIL ACTS IN MANY LOCAL MATTERS

Borough officials got the safe at the engine house open Tuesday, but the records that the council wanted were not in the strongbox, so the question of what the borough will charge for making a sewer connection outside the borough remains unsolved.

The "lost" combination to the safe was unearthed recently but the minute book of the town council from which councilmen expected to learn what fee had previously been charged, was not in the safe.

Application had previously been made to council to connect a sewer from new homes being erected on Carlisle street just outside the borough by Charles and William Jacobs, to the borough sewer. The question of charges to be made was referred to the sewer and ordinance committees. The charges also involve a question as to whether the builders will sewer into a drain which runs across the county home property, or build a sewer extension in Carlisle street.

To Buy Sewer Pipe
Council voted to purchase a carload or more of eight-inch Johns Manville "transite" sewer pipe, at 10.7 cents per lineal foot, F.O.B. the plant at Manville, N. J., delivery expected the last two weeks of November. Bids had been asked, and the Johns Manville bid was the only one received. In less than carload lots the price quoted was 65.9 cents.

An engineer will come here to supervise installation. Borough Engineer LeRoy H. Winebrenner told council it was impossible to obtain terra cotta pipe.

Council also authorized Mr. Winebrenner to file plans with the state Department of Health showing the new and proposed sewer lines in the borough. Forms were sent here by the state. The plans will include a sewer through a new street running from South Washington street to Queen street; one in Steinwehr avenue to property recently annexed by the borough; a sewer to the Inductive Equipment corporation, and one to the Burgoon and Yingling plant.

A deed from William H. Johns for property to be ordained as a new street, as yet unnamed, from South Washington to Queen street south of the Warner hospital, was accepted by the council.

Hear of Smoke Nuisance
Daniel Altland, regional representative of the Atlantic Refining company, appeared before the council to ask that permission be granted for extending new black-top entrances and drives at Atlantic stations on Buford and Lincoln avenues across the sidewalks to the streets. He was told a borough ordinance requires that sidewalks be of concrete, and the matter was referred to the ordinance and high-way committees.

Alleging that his verandas are often sprinkled with cinders "as large as the head of a match," Clarence Snyder, Hanover street, asked council what could be done about abating what he termed a smoke nuisance in the borough.

"We've had a lot of smoke here from factories and railroads for a long time," Mr. Snyder declared. He said a basket of eggs left outside looked like they had been painted black a short time later. Council referred his complaint to the ordinance and health committees.

Shealer Returns To Plant
Council gave the job of janitor at the engine house to Borough Police Officer C. William Zhea Monday night, after being notified that Clair Foulk had resigned the job. He quit his borough job at the sewage treatment plant as of August 14, council was also told. Zhea will perform the janitor duties on his own time, at \$30 a month.

Council voted to raise the salary of Robert Shealer at the sewage treatment plant from \$130 to \$160 per month. Shealer recently returned to this job after being in the service.

Council authorized Borough Engineer Winebrenner to number each parking meter in the borough, the numbers to be painted on the meter posts, so that when complaints are made to police of meters that are not working, the meter can be reported by number.

A new ordinance relative to gas tanks was also adopted. It provides that tanks of more than 2,000 gallon capacity cannot be located within 500 yards of an ordained street, and that no more than four tanks can be placed on one property. Hereafter there was no limit to the number of tanks, councilmen said. Tanks also were previously limited to 1,500 gallon capacity.

Order Truck Repairs
Councilman George March reported that he and colleagues went to Letterkenny, as directed by council, in the interests of purchase. (Please Turn to Page 2)

Wm. T. Richardson Wins College Honors

William Tucker Richardson, Littlestown, was one of 20 students to receive the degree of bachelor of arts at the summer convocation for Western Maryland college at Westminster last Friday. Dr. Fred G. Holloway, college president, delivered the address. Richardson graduated with class honors.

Mr. Richardson is a son of Edward T. Richardson, an official of the Blue Ridge Rubber company, and Mrs. Richardson, who reside on East Myrtle street in Littlestown.

Young Mr. Richardson, who majored in mathematics and economics, expects to enter Harvard business school. He recently ended three and a half years of service in the U. S. Navy with the rank of lieutenant (j.g.). He was paymaster aboard a destroyer and later was at a naval supply depot in Japan.

STATE POLICE AVERAGE TEN ARRESTS DAILY

Eight arrests on motor code violations and one for a liquor law violation Tuesday brought to 30 the number of arrests made during the first three days of September state police of the local sub-station revealed today.

Arrested on the liquor law violation was James Richard Harner, Littlestown restaurant proprietor, for whom a bench warrant was issued by the county court last week when evidence presented in a court trial showed that a minor had purchased liquor and beer at his establishment. Harner was on vacation at the time and the process for his arrest was carried out Tuesday by Deputy Sheriff B. E. Bixler upon Harner's return. The Littlestown man posted \$500 bail with the clerk of courts.

On the traffic charges Neveah Crouse, Littlestown, was charged by state police before Justice of the Peace Howard G. Blocher, Littlestown, with speeding at 62 miles per hour.

Junior T. Bittle, Littlestown R. 2, was charged before Justice Claude S. Straley, New Oxford, with reckless driving by state police.

The officers also charged William Henry Baugh, Hanover R. 2, with reckless driving, before Justice Harry Brinton, Berwick township; Irvin E. Stambaugh, Enola, with driving a motorcycle without a license, before Justice George Brandt, Dillsburg; H. E. Wolfe, Biglerville, with failing to stop at a stop sign, before Justice William Stough, Aspers; John Decker, York Springs R. 2, with making an improper pass, before Justice C. E. Smith, East Berlin; Carroll Triplett, Dover R. 3, with driving an overloaded truck, before Justice James Moore, Hanover. In each of the traffic violation cases a ten-day notice was sent. William A. Hildebrandt, Davenport, Iowa, charged before Justice of the Peace John H. Basehore with making an improper pass, paid a fine of \$10 and costs.

NEED ALDERMAN IN THIRD WARD

Residents of the third ward, and other Gettysburgians, who may have wondered when a new councilman is going to be appointed in this ward to take the place of Joseph D. Kendeheart, who resigned May 6, are not the only ones concerned over the vacancy.

Members of the borough council would themselves like to know who is going to take Mr. Kendeheart's place, and when. There was no mention made of filling the vacancy at the last two council meetings, but it popped up Tuesday night, with the query "When is a councilman for the third ward going to be appointed?"

The two other third ward councilmen, H. M. Oyler and Harry E. Koch, were not present at the meeting. After it was pointed out that the third ward is entitled to this representation, council directed its secretary to notify the two absent councilmen to present a name or names, so that an appointment can be made.

Otherwise, it was said, a taxpayer might bring an action to have the court appoint a councilman.

FARM IS SOLD

Max R. Wineberg and Mary J. Wineberg of Biglerville R. D. have sold their 94-acre farm located in Butler township, formerly the Paul T. Rhodes farm, to Amos L. Walker and Edgarita Walker of St. Marys, Baltimore. Possession will be given March 15. The sale was made through John C. Bream.

BIGLER BAND WINS \$100

The Biglerville high school band was awarded a \$100 prize as the only school band entered in that class in the Welcome Home celebration parade at Hanover on Monday.

JUDGE SHEELY REVERSES SELF IN CRASH CASE

A Waynesboro motorist who pleaded guilty to a hit and run charge here July 23, was held for sentence court and on August 31 was given a suspended sentence, has had his guilty plea withdrawn and the suspension of sentence, which directed him to pay the court costs, rescinded, on order of Judge W. C. Sheely. The court order, directing that the case be listed for jury trial or trial before court if the defendant and district attorney agree, has been filed in the office of the clerk of courts.

The defendant is Rankin Thomas Gossert, 67 East Main street, Waynesboro. Gossert was charged with failing to stop at the scene of an accident, after it was alleged, his automobile struck the car of Joseph J. Tyler, Baltimore, at West Middle and South Washington streets. Gossert, who was operating a car owned by his father, James A. Gossert, Waynesboro, was arrested by borough police July 23. He was employed as caretaker at Camp Sharpe.

Court Opinion
Judge Sheely, on his own motion, has entered the following order in the case:

"When this defendant was called for sentence on his plea of guilty to a charge of failing to stop at the scene of an accident the court was informed that the defendant's automobile sideswiped another car causing damage of approximately \$18; the only damage to defendant's car was a slight scratch on the fender; that the occupant of the other car told the defendant that he probably did not realize that he had been involved in an accident; and that the charge was laid against the defendant primarily to hold him so that the owner of the other car could collect damages—a practice that cannot be too severely condemned." Weddings Of Two Couples Reported

Ray Edward Baker, U. S. Army, son of Mr. and Mrs. Emory C. Baker, Gettysburg R. 3, and Pauline Catherine Overholzer, daughter of Mr. and Mrs. Edward J. Overholzer, 140 Breckenridge street, were married Monday near Hanover by the Rev. Guy P. Brady, according to a return filed with the office of the county clerk of courts.

Another license return discloses that Harold Gudden Sadler, son of Mr. and Mrs. Charles R. Sadler, New Oxford, and Reba Erma Steever, daughter of Mr. and Mrs. Charles R. Steever, Plymouth, were married at New Oxford Saturday by the Rev. Orville V. Warner.

Chaplain Sulkowski Here Over Week-end

Chaplain Norbert A. Sulkowski, formerly assistant pastor at St. Francis Xavier Catholic church until his acceptance of a commission in the army nearly three years ago, spent the week-end with friends in Gettysburg.

Stationed at Ascension island for most of the war, he is at present stationed in Washington, D. C. He holds the rank of captain.

Friends Greet Lippys At 50th Anniversary Reception

More than 100 persons attended the reception Tuesday evening for Mr. and Mrs. John D. Lippy, Sr., Chambersburg street, upon the occasion of their 50th wedding anniversary.

The Hotel Gettysburg dining room, scene of the reception, was filled with vases and baskets of flowers, including all varieties of fall flowers, yellow chrysanthemums and roses. Most of the flowers were of a golden color and were gifts of friends.

Mr. and Mrs. Lippy and their sons, Radford and John, Jr., and Mrs. John Lippy, Jr., were in the reception line near a table covered with an Italian cut work and lace tablecloth and on which were a three-tier white wedding cake and yellow candles in crystal holders. Mr. and Mrs. Lippy cut the huge cake which was topped by a miniature bride and bridegroom in gold. Another table nearby held punch, hors d'oeuvres and sandwiches.

Following the affair at the hotel Mr. and Mrs. Lippy, their immediate family and intimate friends continued the reception at the Lippy apartment. Flowers also filled the Lippy home.

Out of town guests for the reception included Mrs. Carroll Gorman, Catonsville; Mrs. Samuel Tholan, Williamsport; Mr. and Mrs. Frank Patterson, York; Mr. and Mrs. Milford Patterson, Harrisburg; Mr. and Mrs. Austin Lange, Brooklyn, N. Y.; Dr. and Mrs. O. H. Stinson, Emmitsburg; Mrs. George Paxson, Emmitsburg; Mrs. Charles L. Ritter, Frederick; and Mr. and Mrs. John C. Stine, Jr., Cynwyd.

Democrats Holding Registration Lead

Democrats continued to show marked gains over the Republicans in the special registrations being conducted throughout the county. During the eight sittings so far the clerks have registered 350 Democrats, 157 Republicans and six non-partisan voters.

At Abbottstown 65 Democrats, 15 Republicans and three non-partisan voters registered; at New Oxford the number was 100 Democrats and 40 Republicans; at McSherrystown, 97 Democrats and 35 Republicans, and at Idaville 15 Republicans registered to six Democrats.

Today the registrars will be at Arendtsville, and Thursday at Two Taverns.

CHANGES MAY BE COMING IN SCHOOL SETUP

Biglerville's school system has revised upward the total of children in its schools since its first report Tuesday morning, the office of the county superintendent of schools disclosed today.

First reports from Biglerville Tuesday were that 598 students were in its schools, a gain of 31 over 1945. Later reports showed that there are 626 students in the schools there, a gain of 56 over the previous year.

While early reports had a total of 197 in Biglerville senior high school, as compared with 174 at the opening of school in 1945, the final tabulation disclosed 225 in the high school, a gain of 41.

Three Schools on Borderline
While school officials were reporting generally an increase in the number of students in school, counties were speculating about next year when it is expected that a number of changes will be made due to the new act of legislature governing the schools of the state.

With three high schools near the border line under the new act, it was expected that some action will probably be taken during the coming year to change the present set up of high schools. York Springs school district with 71 students in its high school has been discussing a possible union with Huntingdon and Lattimore townships to establish a joint set-up under which York Springs would be school center for the three districts with a "grades one through 12 program."

ATTEND CONVENTION

George P. Taylor, J. Arthur Boyd and Quintin D. Rebert, Adams county commissioners, and Clarence C. Smith, chief clerk, are in Philadelphia today attending the annual convention of county commissioners of the state. There will be no meeting of the county commissioners at the court house.

26 COUPLES LICENSED

Twenty-six marriage licenses were issued by the county clerk of courts during August, the county office announced today. The number was 10 above the 16 issued for August, 1945, and brought the number of licenses issued so far this year to 225.

57 ARRESTS BY BOROUGH POLICE DURING AUGUST

Borough police made 57 arrests during the month of August, according to Chief of Police Robert C. Harpster's report for the month. Forty-three arrests were for motor violations, one for improper storage of blasting powder, ten for disorderly conduct and three for vagrancy. Three informants were filed against motorists charging them with ignoring parking violation tickets. A total of \$102 was collected for parking violations.

The police had ten cases in court in August, eight misdemeanors and two felonies. Seven defendants pleaded guilty and three were convicted. One stolen automobile was recovered. There were six accidents, with resultant property damage of \$185. Seventy-nine minor complaints were investigated.

The monthly report of John H. Basehore, borough treasurer, given at the borough council meeting Tuesday night, showed a balance at the end of the month of \$47,184.53.

To Add 25 Meters

Meter receipts for August were \$1,856.44, divided as follows: Center square, \$400.34; Baltimore street, \$436.05; Chambersburg street, \$385.44; York street, \$331.52; Carlisle street, \$303.09.

The council Tuesday night voted to purchase additional meters to fill out the blocks on Chambersburg street to Franklin street, and on Carlisle street to Water street. It was estimated that 25 more meters would be needed.

Because of the \$500 limit placed on purchases without competitive bidding, it was decided to buy six meters this month, at a cost of \$75 each, and additional meters in subsequent months.

The burgess's report, read by the borough secretary, showed four building permits issued during August, \$7; one sewer permit, 75 cents; two peddlers' permits, \$15; one guide license, \$1; theatre tax, \$578.72 and 102 meter violation fines, \$102, making total receipts of \$704.47.

FELLOWSHIP DAY PLANNED

The second annual Day of Fellowship for members and friends of Zion Reformed church, Arendtsville, and Trinity-Benders Reformed church, Biglerville, will be held Sunday with all services in the Arendtsville park.

The program for the day will begin at 10 a. m. with a union session of the two church schools. Rev. Nevin R. Frantz, pastor of the two congregations, will present the Sunday school lesson for the day to the adult group. The other age groups will meet in various pavilions throughout the park for the lesson period. At 11 a. m. there will be a Service of Fellowship with Rev. Mr. Frantz in charge and the Rev. Arthur Leeming, superintendent of the Hoffman orphanage, delivering the sermon.

At 12:30 a fellowship dinner will be held with each family providing their own food. At 2:30 a fellowship program with Dale Knouse of the Arendtsville Reformed congregation in charge will close the day's activities. The Rev. Mr. Leeming will be the speaker at this program. Music will be furnished by a men's chorus and a men's quartette from the Arendtsville church.

The Day of Fellowship will be held rain or shine.

COUNCIL GOES E.S.T. IN OCT.

If a borough council has no legal authority to adopt daylight saving time for the borough in April, can it put the town back on standard time in September? The answer was "no" at Tuesday night's meeting of the council at the engine house.

With most of the state going on fast time last spring, the question came up before the council, but Borough Solicitor Eugene V. Bulleit ruled that the council had no authority to change the clocks. It could, however, change the time of its own meetings. This was done. Gettysburg merchants and others, on their own initiative, decided to operate on daylight saving time.

Councilman Fred Hummelbaugh said Tuesday night that he understood Hagerstown, Waynesboro and other towns were going back to standard time before the end of this month, and wanted to know what Gettysburg would do.

But if council couldn't adopt it, it couldn't rescind it, so all it did Monday night was to set the time of its October meeting for 7:30 p. m. Eastern Standard Time.

Library Board To Meet Friday

The board of directors of the Adams County Free Library will hold its first meeting since July on Friday evening at 7:30 o'clock at the main library reading room, 135 Carlisle street.

In addition to reviewing general fall plans for the library the board will arrange for a campaign for new members for the library and will make preparations for the annual meeting of the membership of the library association later in the fall.

With the opening of schools throughout the county on Tuesday, the library bookmobile resumed its delivery service on a schedule that will cover the county in two weeks before reverting to the two-days-a-week schedule for the remainder of the year.

REFUSE FIFTH TAXI STALL IN CENTER SQUARE

Gettysburg's two taxicab firms will have to share four cab stand spaces on the square. Borough council Tuesday night turned down the application of Glenn R. Little, who purchased the former Weikert taxi service August 2, for an additional space.

The two cab operators will be allowed to use only two vehicles in these spaces at a time. The license numbers of the cabs must be reported to the police. If one or more are withdrawn for service or repairs and another substituted, the police must also be informed of this change.

No distinction is to be made between stalls. Either cab operator may use any space which is not occupied by another cab. Taxis will not be allowed to move up into or toward the No. 1 stall when a cab pulls out of this space on a trip. They must remain in their respective places. When any cab returns from a call, it will take any space that is open.

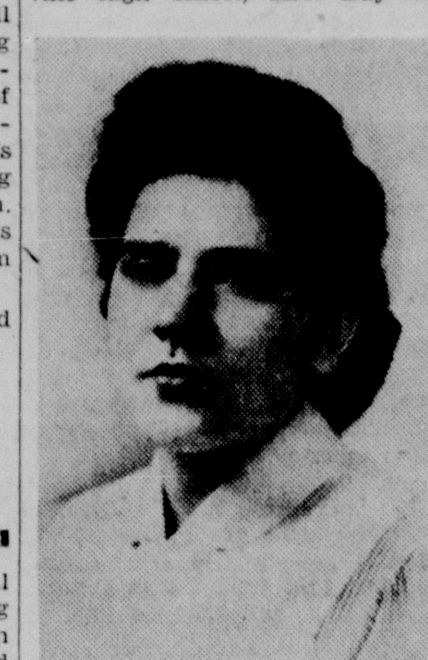

Council warned that any friction between the rival companies might result in cancellation of the parking privileges for both.

Councilman George D. March, and Chief of Police Robert C. Harpster met with Mr. Little and Rufus Weaver, other cab operator, at police headquarters after the council meeting. March and Harpster informed the two operators of the regulations promulgated by the council. They agreed to abide by them.

GRADUATES AS TRAINED NURSE

Mrs. John E. Day, the former Miss Janet Elizabeth Kane, daughter of Mr. and Mrs. George E. Kane of Biglerville R. 2, was one of 60 student nurses graduated by the Capital City School of Nursing at the Gallinger Municipal hospital in Washington, D. C., August 27.

Formerly a student at Arendtsville high school, Mrs. Day was

MRS. JOHN E. DAY

graduated from that school as valedictorian of her class in 1943, after which she entered training in Washington. During the four years in which she attended high school in Arendtsville, the former Miss Kane was an honor student in the academic courses.

Mr. and Mrs. Day were married in the rectory of Mt. Calvary church at Forestville, Md., on July 24 of this year. The ceremony was performed by the Rev. Peter P. Jakowski. Since the date of the wedding, Mr. and Mrs. Day have made their home in Washington, D. C., where Mr. Day is in the employ of one of the larger department stores.

Following the commencement exercises, Mrs. Day announced plans to remain at the Gallinger Municipal hospital, where she will practice general nursing.

HARRY STAUFFER EXONERATED IN FATAL MISHAP

An Adams county coroner's jury Tuesday afternoon exonerated Harry T. Stauffer, 20 East Middle street, of responsibility in the accidental death of Sydney J. Poppay, Jr., son of Mr. and Mrs. S. J. Poppay, Sr., 156 Seminary avenue.

Then it went on to suggest that "to prevent future such accidents some state regulation should be provided limiting conditions under which persons may be carried as passengers in trucks."

The inquest was held at the court house by Dr. C. G. Crist, county coroner, into the death of young Poppay, early in the morning of August 27 at the Warner hospital after he had fallen from a truck, driven by Stauffer, about 6:20 o'clock on the evening of August 26.

Poppay and Rex G. Brinsman, York Street, were riding in the rear of a truck owned by Stauffer, the jury was told, while the truck was returning from the Luther Baltzley orchards between Arendtsville and McNightstown. Poppay and Brinsman, according to testimony, had stood up to brush dust from their clothes. Brinsman was seated again and Poppay was just sitting down when the truck went around a curve at the Deardoff farm and young Poppay was thrown from the truck, suffering a double fracture of the skull. Brought to the hospital, he died there at 1:20 o'clock the next morning.

Saw Youth Fall
Appearing on the witness stand, Brinsman said that he had told Poppay to be seated a few minutes before the accident occurred. Poppay turned around and was about to sit down, Brinsman said, "and then I saw him in the air over the side of the truck. The next thing he hit the ground. I pounded on the rear window of the truck" and yelled to Mr. Stauffer to stop the truck."

George J. Evanko, a member of the local detachment of state police, who investigated the accident, told (Please Turn to Page 2)

Littlestown TEACHING STAFF NOW COMPLETE IN LITTLESTOWN

The Littlestown public schools opened Tuesday morning with an enrollment of 261 in the grades and 198 in the high school. Of the latter, 69 are freshmen, and 46 seniors. There are 32 beginners in the first grade.

The Board of Education, at a special session Friday evening, completed the roster of teachers, which is as follows: Supervising principal, Paul E. King; social science, Lloyd L. Stavelly; English, Arlene Wingert; English and mathematics, Maria Berger; commercial, Mrs. Elsie Miller; mathematics and science, H. Dean Stover; health and athletics, Clayton Evans; music, Ruth Martin; band, Paul Harner; home economics, Joanne Mellott; industrial art, Roscoe Spencer; school nurse, Mrs. Brenda Walker; first grade, Naomi Schwartz; second, Hildah Duttrier; third, Vivian Brumgard; fourth, Myrtle Menchey; fifth, Harvey W. Schwartz; sixth, Mrs. Effa Wertz; seventh, Miriam Stover; and eighth Leon Weidner.

The three teachers elected Friday evening were Miss Martin, who is from Gettysburg; and Mrs. Wertz and Mrs. Miller, of Hanover.

News Notes

The Rotary club met Tuesday evening at the A. W. Schott farm. Following a picnic lunch, outdoor games were enjoyed. A program of stringed instrument music was presented. The meeting was in charge of the program committee, consisting of Thomas C. McSherry, George P. Smith, Lloyd I. Crouse, Arthur E. Bair, and Roy D. Knouse.

The regular meeting of the John W. Ocker post, No. 321, American Legion, will be held Thursday evening at 8 o'clock. Business of importance is to be transacted.

The Loyalty Sunday school class of St. Paul's Lutheran church will hold its regular meeting at the home of Mrs. Clarke Bucher, South Queen street, Monday evening at 7:30 o'clock. At this meeting the exchange of Loyalty sisters will be revealed.

Pvt. John Durenberger and Pvt. Robert DeGroot spent the week-end at the home of the latter's parents, Mr. and Mrs. Walter DeGroot. Pvt. Durenberger's home is in Minnesota. Mrs. Emma J. McCarthy and son, Major D. Edward McCarthy, TC (U. S. Army), New York city, are visiting at the home of Mrs. Sara A. Bittinger.

Weather Forecast

Not so cool tonight. Thursday fair and somewhat warmer.

HARRY STAUFFER

(Continued from Page 1)

The jury there was a skidmark 21 feet in length 180 feet from where the body lay where Stauffer apparently put on his brakes when he learned that Poppa had fallen from the truck.

A "Model Youth"

S. Luther Baltzley, McKnightstown, owner of the orchard, said that he had hired Stauffer and his pick-up truck to carry water to the workers in his orchard and that on the date the accident occurred Stauffer had brought Poppa and Bringman to the orchard for their first day's work this year in peach picking. Poppa had worked at the Baltzley orchards for several years previously and was described by Baltzley as a "model youth, the kind that sets an example for everyone else in the orchard for industry and ability."

Dr. Bruce N. Wolff, surgeon at the Warner hospital, testified that Poppa had been brought to the hospital about 6:45 o'clock on the evening of August 26. X-ray examinations there disclosed the double fracture of the skull, he said, and the youth was bleeding from the left ear and nose.

Calvin Wolf, 24 West Middle street, who was riding in the cab of the pick-up truck with Stauffer, stated that the vehicle was moving about 25 miles an hour when the accident occurred.

Bus Driver Testifies

Donald Walter, bus driver for a neighboring orchard who was following the Stauffer truck, also testified that the Stauffer truck was not driving over 30 miles an hour.

Walter told how Poppa was placed in the rear of the Stauffer truck and how, when Charles Wert, Orntanna R. D., arrived in a passenger car he suggested to him to follow the Stauffer truck and take the Poppa youth into his car in order to take him more quickly to the hospital. Wert appeared on the stand to tell how, about a half mile or so from the scene of the accident, he stopped the Stauffer truck and transferred Poppa and Bringman to his car for the trip to the hospital.

Stauffer was described by various witnesses as not charging for the trip to Baltzley's orchard but to have been merely "doing a favor" for the youths who were riding on a plank placed across the rear of the truck near the cab.

Jurors' Verdict

Attorney Edgar Markley, who represented Stauffer, told the jury his client did not wish to testify at the inquest.

The decision of the jury was "that Sydney Poppa, Jr., died at the Warner hospital at 1:20 o'clock on the morning of August 27 of a double fracture of the skull suffered in a fall from a moving truck operated by Harry Stauffer, Gettysburg."

The jury feels that Mr. Stauffer did everything in his power to prevent such an accident, and that there was some carelessness on the part of Sydney Poppa, Jr. But to prevent future such accidents some state regulation should be provided limiting conditions under which persons may be carried as passengers in trucks."

Members of the jury included Ray F. Snyder, James B. Aumen, Calvin Stalkmish, Guy Mickle, Charles Ziegler and G. H. Roth.

County Native Is Guest Of Lodge

Ira Rummel, a member of Lodge No. 953, Independent Order of Odd Fellows, of Waukegan, Ill., visited Gettysburg lodge here on Tuesday evening. Mr. Rummel, a son of the late H. T. Rummel, was born in Mt. Pleasant township, and attended Rocky Grove school, Straban township, as a youth, under the tutelage of William C. Storrick. He migrated to Illinois as a young man and has been employed as a carpenter in Illinois and Iowa for the past fifty years.

Mr. Rummel has been a member of the Odd Fellows for 43 years, but said it was his first visit to a lodge in his native county.

He expects to remain in the county for some time and hopes to attend the meetings of the local lodge and the Encampment branch during his stay. Arrangements were made to advance the lodge's social night from the last meeting night of the month to the third, in order that he may attend the function.

NEW ASSIGNMENT

TO CHECK ON SCHOOL PUPILS

The office of the county superintendent of schools today announced plans to begin next week an investigation into whether all students of high school age in Mt. Pleasant township are attending the second township schools.

The Mt. Pleasant township check on the students will mark the beginning of an investigation throughout the county.

Due to the fact that the county office believes that a number of students do not understand the transportation of high school pupils in Mt. Pleasant township which started Saturday, Dr. Robert A. Bream, assistant county superintendent of schools, again today explained the newly established routes.

He also reminded parents that under the new state law children must attend school under the age of 17 unless excused by work permits.

Transportation Plan

The new bus system for Mt. Pleasant involves three buses and two private cars. The Richard Sanders bus which formerly carried only elementary students will continue its regular run as in former years only now it will also pick up high school youngsters and haul them, free of charge, to New Oxford high school.

Two passenger cars will leave White Hall at 8 a.m. each morning for Littlestown, picking up the high school students along the Littlestown road to transport them to Littlestown.

The David Oyler bus which carries the Straban township children will stop at the intersection of the Low Dutch road and the Hanover road at 7:40 o'clock each morning to pick up high school students from Mt. Pleasant township and transport them to Gettysburg high school.

The Charles Hemler bus which takes Gettysburg Catholic children to Delone high school will pick up Mt. Pleasant township children to transport them to Hanover high school between the Valley school and the end of the township along the Hanover road. It will arrive at the Valley school at 8:15 o'clock each morning.

TOWN COUNCIL

chasing a new truck for the borough, but found none available. As a result of this report, council directed that repairs be made to the present International truck which is out of service. It is estimated the repairs will cost at least \$100.

A letter from the borough police relative to a police pension plan here was referred back to the safety committee for further study and investigation of pension plans in other cities.

To Confer With Burgess

The safety committee will meet with Burgess C. A. Heiges relative to the alleged remitting of parking meter fines to out of the county residents. The safety committee, claiming that the Burgess is not fining out of county motorists, recommended that he follow the ordinance. However, Solicitor Bulett said that the council had no jurisdiction over the Burgess in telling him to enforce the ordinance, and that he has a right to remit fines. President Ray Hoffman and other council members expressed the opinion that the Burgess would cooperate and suggested the joint meeting.

Complaints against Paul L. Plank, garbage collector, that garbage trucks were not covered and that liquids were allowed to drip from the trucks and run down the streets was referred back to Erie Dardorff, health officer, when Solicitor Bulett said the officer has the authority to cause Plank's arrest.

Dragged By Horses; Severely Injured

Harry Trostle, aged about 75 years, York Springs R. 2, was admitted to the Warner hospital early this afternoon in the ambulance suffering injuries received when a pair of horses he was driving became frightened and ran away.

Trostle, who was reported to have been dragged by the animals for a considerable distance, suffered fractures to both legs and cuts and bruises over his entire body. The extent of his injuries was not immediately known early this afternoon.

Chicago, Sept. 4 (AP)—William Helrens, 17-year-old student who tried the path of crime to gratify a perverted sexual desire, pleaded guilty today to three of Chicago's most heinous murders and a court began hearings to fix his punishment.

CHANGES MAY

(Continued from Page 1)

county, 65, may have to increase its school taxes considerably if it plans to keep open after this year, provided Law 403 governing the schools remains in effect. Previously the state paid a school according to the number of children there, school officials pointed out, and that plan is being continued this year for those schools which cannot continue in operation under the new act.

Arendtsville's Future

Under Act 403 the schools will be reimbursed according to the number of students it has, based, for high schools, on a total of 22 students per teacher. Fairfield, with four teachers and a nurse at present, will be paid, starting next year if the act is not changed, for only three teachers.

Arendtsville, with 92 students, has been discussing possible closing of the Arendtsville high school and its use as an elementary center for students in a proposed six district set-up in the upper Adams county section.

Littlestown, which is not worried as far as school population goes, has been discussing a change in its school program with the school officials, considering establishing a junior high school there. Now there are 255 in the elementary grades, the largest number in any school system, outside of Gettysburg, in the county.

ELKS WIN 3-0; MEET BARBERS FOR LOOP TITLE

It will be the Elks versus the Varsity Barbers for the championship football league.

That was decided Tuesday evening when the Elks blanked the Marketeers 3-0 to take the semi-final series, two games to one.

The championship series will open this evening at 6:30 o'clock on the college field. The second game will be played Thursday evening and if a third game is necessary it will be staged Friday evening.

The large crowd attending Tuesday's game was treated to a tight contest. After six scoreless innings the Elks pushed over three runs in the top half of the seventh and were stopped from further scoring by a triple play.

Phil opened the last inning with a double and scored on a single by Bream, his third of the evening. Dracha drew a pass. On an outfield error on Kane's fly, Bream and Dracha scored. Kitzmiller singled to move Kane to second base. F. Kuhn lined to Fair who relay to first base nipped Kitzmiller. Cline threw to second base to complete the triple-killing when Kane had also gone off the base.

The Marketeers secured but three hits. Three runners reached second base and none got as far as third. Elks

Sports Roundup

By HUGH FULLERTON, Jr.

Forest Hills, N. Y., Sept. 4 (AP)—Trygve Lie, United Nations general secretary and a real tennis fan, must have been a bit perturbed when he saw what had happened to all the other nations who were challenging U. S. supremacy in the national championships . . . only a handful of foreign players survived the first three rounds. . . Lie, a member of the West Side club here, is the kind of spectator who wanders around, hanging over the fences, to see the best matches. And that's quite a task, considering his rotund "built." . . . Jack Kramer, who talks "styles" like Al Weill, though in different language, claims he's more afraid of Don McNeill than of defending champion Frankie Parker. "Don and I both hit the ball and charge in so his style is more dangerous to me," Kramer claims. . . As for Parker, Jack beat him in their last clash before Kramer went overseas and in their first post-war meeting in the same Southern California tournament. "I guess I have Frank's number on that court," Jack admits.

SPORTSPOURRI

Frank Thomas, starting his 16th year as Alabama football coach, missed the opening drills this season because a combination of sinus, flu and arthritis kept him in a Birmingham hospital. If Frank stays away much longer, they'll be calling him "shaughnessy." . . . next season's 168-game major league schedule will mark the first time in 50 years the big leagues have increased their program, except after it was cut for the 1918 "emergency." . . . In 1897 the national league played 132 games; then it was boosted to 154.

GEOGRAPHICAL NOTE

When the Chicago Bears play the Boston Yanks in an exhibition at Boston tomorrow, Sid Luckman of Brooklyn and Paul Gervani of the Bronx will clash on the football field. . . They were the greatest passers ever developed by Lou Little at Columbia, but New Yorkers will have to do considerable traveling to see them as pros.

FAIR OPENS SUNDAY

The Reading Fair will be held September 8 to September 15 and will feature harness racing which will be highlighted by the three-year-old futurity trot on September 11. Twenty-eight events have been scheduled for next Sunday afternoon when Kochman's Hell Drivers will perform.

Arendtsville Lists Contest For Sunday

In an effort to keep players in the pink of condition for the championship series to decide the Adams County Baseball league title, the Arendtsville team has scheduled a game with the Mercersburg Colored Giants for next Sunday afternoon at 2:30 o'clock at Arendtsville.

The Apple Pickers have already taken one of the semi-final playoff series for the league diadem and await the outcome of the Emmitsburg-Fairfield clash at Fairfield Saturday afternoon for an opponent in the title series.

MAROON BACKS, LINEMEN MAY SWITCH POSTS

A number of additional football candidates for the Gettysburg high school football team reported Tuesday with the reopening of school but the number was not as large as was expected and the Maroon coaches are hopeful more candidates will report in the near future.

So far the Maroons have not engaged in scrimmage but Coach George Forney may stage such a drill toward the end of the week. A lack of suitable manpower to furnish opposition for the varsity has resulted in the splitting up of the squad into groups for "rough work."

A large crowd of fans witnessed the workout Tuesday afternoon and their presence seemed to make its effect on the squad as they showed real spirit throughout the practice. Finding the right positions for a number of the candidates is one of the chief problems of the Maroon coaching staff at present. Several linemen of a year ago have shown considerable promise as ball carriers while a number of backs have shown more aptitude when working on the line. It is practically certain a number of such changes will be made.

There is little doubt the entire Maroon squad is in for some heavy drilling during the next few days as much work remains to be done before the season's opener with Delone Catholic high at McSherrystown Friday evening, September 13.

Fred Haehnen and Dick Folkner have taken over the prepping of all freshmen and sophomore candidates who have not yet earned their spurs as varsity material.

Young Zivic Beats Sammy Adrangna

Pittsburgh, Sept. 4 (AP)—By a second split decision, Charley (Young) Zivic last night won another victory over Sammy Adrangna, of Carnegie, in a 10-round main event bout at Zivic arena before 3,500 fans. Zivic weighed 150 and Adrangna 146. The nod went to the Pittsburgh fighter after judges awarded each fighter five rounds and referee Buck McTiermen favored Zivic. An earlier Zivic-Adrangna fight ended the same way.

Making a successful pro debut, jumping Joe Barone, Eastern Golden Gloves champ, knocked out Johnny Protan of Huntington, W. Va., in 1:52 seconds of the second round of a slated four-rounder. Barone weighed 122 and Protan 118.

IDAVILLE WINS TWO OF THREE BASEBALL TILTS

Idaville captured two of three baseball games played Monday and Tuesday on the Idaville diamond. On Labor Day the upper countians divided a pair of games with Carlisle Colored Giants, winning the first game 8-3 and losing the second 7-5.

Bendersville bowed to Idaville Tuesday evening 2-1, in the first of a three-game series between the teams. Idaville tallied a run in the first inning on a pair of errors and secured the winning run in the fifth on an error, a hit by Tate and another error. Bendersville's run in the fourth came on hits by Baumgardner and Brough.

"FAT CHANCE"
Philadelphia, Sept. 4 (AP)—Young baseball fans have a "fat chance" of getting in free tomorrow to see the Yankees-Athletics baseball at Shibe Park. Admission—a three pound can of used kitchen fat.

A public library book may reach as many as 250 people in its lifetime.

Plan Benefit Game For Baseball Star

A benefit game will be played Sunday, September 9, when the Barlow nine meets the Littlestown baseball team on the Littlestown diamond for the benefit of George Kress, Jr., centerfielder for Littlestown, who was injured in last Saturday's game with Blue Ridge Summit.

Young Kress was injured when he collided with his left fielder in an attempt to field a fly ball. He is the son of Mr. and Mrs. George Kress, proprietors of George's restaurant, Newark street, Littlestown.

DODGERS GAIN HALF GAME BY BEATING PHILS

By JACK HAND (AP Sports Writer)

The Brooklyn Dodgers fell on their old "cousins" from Philadelphia last night to clip a half game off St. Louis' lead.

The Cardinals were idle, so the Dodgers moved to within two games of the National league lead. Each has 24 games to play.

Kirby Higbe, manager Leo Durocher's "stopper" showed signs of wear and tear in earning his 14th victory of the season over the Phils 6-4. The Phils spurred for 3 in the eighth, and Hank Behrman saved the day.

Cubs Beat Pirates
For what was supposed to have been an open date in both leagues, yesterday was a busy day with six games.

Lefty Bob Chipman shut out Pittsburgh with five hits, 2-0, as Chicago's Cubs continued their belated drive which probably will do no more than assure them of finishing third ahead of Boston.

Tommy Holmes was the big gun in Boston's 5-4 shade over the New York Giants, the Braves' outfielder banging a bases-loaded double during a four-run rally in the seventh inning that knocked out starter Dave Koslo. Although Bill Lee received credit for the win, Billy Southworth used Jim Wallace and Mort Cooper to halt a Giant uprising in the late stages.

16-Inning Game
Chicago and Detroit struggled for 16 innings before the White Sox managed a 4-3 verdict. The Tigers broke a 2-2 tie with a run in the first of the 16th but Chicago came back to score twice and beat Stubby Overmire who pitched to only two batters, but allowed two hits.

Cleveland climbed into a fifth-place tie with Chicago on a double win over St. Louis, 5-3 and 7-3. Lou Boudreau had to use Bobby Feller on relief to save the opener.

The New York Yankees, Boston Red Sox, Philadelphia Athletics and Washington Senators were not scheduled in the American and St. Louis and Cincinnati were idle in the National.

The third place Senators and the Owls have been engaged in a close race for second place—currently held by Hagerstown.

In other games, Lancaster beat Trenton 1 to 0 and York split a doubleheader with Sunbury, winning the first 13 to 3 but losing the nightcap 6 to 4. The league leading Wilmington Blue Rocks were idle.

Today's schedule: Trenton at Harrisburg, Wilmington at Allentown, Hagerstown at Sunbury, York at Lancaster.

SMASH RECORDS AT CLEVELAND RACE EVENTS

Cleveland, Sept. 4 (AP)—New records were the order at the post-war revival of the national air races which ended late Monday in a burst of speed by both jet planes and "old fashioned" propeller driven racers. Here is a quick summary of the results:

Bendix cross-country dash of 2,045 miles from Van Nuys, Calif., to Cleveland won by Paul Mantz of Burbank, Calif., in a North American P-51 Mustang with an average speed of 435.5 miles an hour. The old record was 282 mph set by Frank Fuller in 1939.

Jet division of the Bendix race won by Col. Leon Gray of Casa Grande, Ariz., with an average of 494.7 miles an hour, an original record. Gray flew a Lockheed P-80 shooting star.

Haile trophy race for women pilots at 75 miles over a 15-mile triangular course won by Margaret Hurlbert of Painesville, Ohio, in a North American AT-6 Texan with an average of 200.5 miles an hour, an original record.

\$110,000 In Prizes
Sohio trophy race at 210 miles around a 30-mile rectangular course won by Dale Fulton of Alexandria, Va., in a P-51 with an average of 352.7 miles an hour. It was a new event.

Weatherhead service jet speed dashes over a one mile straight-away course won by Lt. William J. Reilly of San Francisco in a P-80 with a speed of 578.3 miles an hour.

A new event.
Thompson trophy race for military pilots won by Maj. Gus Lundquist of Chicago in a P-80 with an average speed of 515 miles an hour for 180 miles around the 30-mile course. A new event.

Thompson trophy race at 300 miles around the 30-mile course won by Alvin (Tex) Johnston of Niagara Falls, N. Y., in a P-51 with an average speed of 373.9 miles an hour. The old record was 283 miles an hour set by Roscoe Turner in 1938.

Prize money for those events totaled \$110,000, including the \$25,000 in the Weatherhead jet event which will go to the Army Air Forces Aid Society because military pilots cannot accept cash awards.

Eastern League

(By The Associated Press)
Vernon Lefty Gomez, undefeated World Series star of the New York Yankees in the 1930's, is going to try his luck on the mound again.

The manager of the last place Binghamton Triplets of the Eastern league announced last night that he would hurl for his club in the final game of the season Sunday.

Tonight's schedule:
(Eastern Daylight Time).
Elmira at Albany (2), 7 p. m.
Williamsport at Hartford (2), 7 p. m.
Wilkes-Barre at Binghamton 8 p. m.
Scranton at Utica, 8 p. m.

Unlike most active volcanoes, Hawaii's are relatively harmless, because the lava flows as slowly as molasses and the streams can be controlled.

TWENTY-FIVE YEARS AGO

Harding Names Woman (By Associated Press) Washington, Aug. 29.—Appointment of Mrs. Mabel Walker Willebrandt, of Los Angeles, to be assistant attorney general of the United States, was announced today at the White House.

Married in Hagerstown: Announcement has been made of the marriage in Hagerstown, August 16, of Mary A. Bowman, Cashtown, and Elmer L. Warren, Gettysburg. Rev. Mr. Kauffman performed the ceremony. Mr. and Mrs. Warren are living on Delap avenue, Gettysburg.

War Secretary Gives Orders (By Associated Press) Washington, Aug. 31.—Final instructions were given by Secretary Weeks today to Brigadier General H. H. Bandholtz, who has been ordered by the War Department to the West Virginia coal fields to observe the response to President Harding's proclamation calling on all persons engaged in unlawful and insurrectionary proceedings to return to their homes by tomorrow noon.

Finish Sander Job: The Souder Construction company on Wednesday poured the last concrete on their job west of South Mountain, thereby completing the Gettysburg-Chambersburg stretch on the Lincoln Highway, which has been handicapped by detours since early in 1919. On September 20 the road will be open for general travel.

Marriage License: John Joseph Reed, Berwick township, son of William E. Reed, and Fannie Virginia Null, daughter of Mr. and Mrs. Daniel L. Null, have been granted a marriage license by J. R. Hartman, Adams county clerk of the courts.

Were Mustered in Sixty Years Ago: Of the one hundred and one Gettysburg men who sixty years ago Friday were mustered into Company F of the 87th Pennsylvania Regiment, only four remain to tell of their experience during the many days of heated conflict which followed.

Those four veterans who served three years in Company F of the Eighty Seventh, a strictly Gettysburg outfit, are Jerome J. Martin, Calvin Gilbert, George Warner and C. W. Sheads.

Ecker-Markle. — Miss Catherine J. Markle, New Oxford, and Calvin T. Ecker, Heidlersburg, were united in marriage Thursday evening at 7 o'clock at the home of the bride's sister, Mrs. Charles P. Feiser, New Oxford. The Rev. W. M. Allison, pastor of the First Lutheran church, New Oxford, officiated. Mr. and Mrs. Ecker will make their future home in Heidlersburg.

Wood Accepts Post: Manila, Sept. 3. Major General Leonard Wood yesterday announced his acceptance of the post of Governor General of the Philippines tendered to him by President Harding.

General Wood notified Secretary of War Weeks that he would return from the army to accept the governorship. He said he believed it to be his patriotic duty to accept the position owing to the seriousness of the situation in the Philippines.

Today's Talk

By GEORGE MATTHEW ADAMS
A DISCOVERY A DAY

For years I have formed the habit of keeping a diary during the summer months, for it is then that I am away from the routine of business, and so to speak, upon a mission of discovery and invention. Then it is that no days seem dull nor uninteresting.

This period, therefore becomes a sort of repair time for the mind and body.

Another thing about keeping a diary — at the end of the day, when you jot things down, you often discover how very little you accomplished! But if you have learned at least one thing during the day that you never knew before, it has not been wholly lived in vain. I believe it is a good thing to determine, at the beginning of a day, to discover at least one new thing, idea, or fact, that you never had in your mind before.

I discovered something today — that if you speak crossly to an animal, he reacts the same as a human being, proving our kinship to him. The mind, or human heart, or whatever it is that registers our emotions and reactions is a most sensitive affair. It's like the reaction of an intricate piece of machinery, let the simplest part of its construction be tampered with, or get out of order, and the entire machine is at once affected. An unkind, or bitter word spoken, travels the length and breadth of the human body — and perhaps to the soul as well.

Out in nature, the mere discovery of a new flower that you have never seen before, or of an animal, or bird, is something to stir the emotions. In my wanderings I recently picked up a white piece of quartz with faint traces of gold in it! I placed it upon my desk as a paper weight, to remind me of the glory of discovery.

It was a happy day when a friend suggested that I read Lafcadio Hearn's fine talks on literature, and another when a friend told me to read George Gissing and Alexander Smith. I read them, and now re-read them — with pleasure and profit mentally and spiritually and praise those who led me to their discovery.

Adding to that line of the unknown author: "Count that day lost, whose low, descending sun, views from this hand no worthy discovery gained!"

Tomorrow Mr. Adams will talk on the subject: "Dealers in Real Values."

Were Mustered in Sixty Years Ago: Of the one hundred and one Gettysburg men who sixty years ago Friday were mustered into Company F of the 87th Pennsylvania Regiment, only four remain to tell of their experience during the many days of heated conflict which followed.

Those four veterans who served three years in Company F of the Eighty Seventh, a strictly Gettysburg outfit, are Jerome J. Martin, Calvin Gilbert, George Warner and C. W. Sheads.

Ecker-Markle. — Miss Catherine J. Markle, New Oxford, and Calvin T. Ecker, Heidlersburg, were united in marriage Thursday evening at 7 o'clock at the home of the bride's sister, Mrs. Charles P. Feiser, New Oxford. The Rev. W. M. Allison, pastor of the First Lutheran church, New Oxford, officiated. Mr. and Mrs. Ecker will make their future home in Heidlersburg.

Wood Accepts Post: Manila, Sept. 3. Major General Leonard Wood yesterday announced his acceptance of the post of Governor General of the Philippines tendered to him by President Harding.

General Wood notified Secretary of War Weeks that he would return from the army to accept the governorship. He said he believed it to be his patriotic duty to accept the position owing to the seriousness of the situation in the Philippines.

Condition Improved: Ellsworth Woodward, Gettysburg, who sustained a crushed foot Saturday at the brick yard is resting comfortably. Mr. Woodward was not in the employ of the brick company at the time of the accident.

CATTLE—Cattle receipts for the two-day period this week were reduced by approximately 1,800 head as compared with the same period a week ago. Trading was active to outside buyers but slow to local buyers, who were forced to buy cattle with in compliance limits. Outside buyers took the bulk of the two-day receipts. Slaughter receipts were heavy and large enough to make an accurate test of the market. The available supply sold around \$1.10 lower than the close of last week. Most head lots of average good grade steers, 11.50-12.00. Medium and low-grade arrivals, 11.00-11.50. With a few lightweight grassers to \$14.00. In heifers, the covered supply, sold active and about steady with the close of last week. In this division, a load of baby-heifer arrivals around 67¢ per pound, \$1.25 to top this class. Most medium to average-grade heifers, \$14-17.50, with common lightweight heifers heading to \$11.00. 212 Cows unevenly \$1-3 lower than the close of last week, with the bulk of the sales around \$2 lower. Medium beef cows largely \$11.50-12.00, with outsiders taking fat high-yielding beef cows freely from \$13.50-15.00 and sparingly \$16 for heifer-type arrivals. Common cows, cows carrying fat and flesh but aged and "hippy," \$10-11. Canners and cutters, \$8-9, with shelly canners, \$7-7.50. Bulls \$1-1.50 lower than the close of last week. Good beef bulls, in meager supply, \$14.50-16.00. Good weighty slaughter bulls, \$12.50-14.00, with light and medium-weight arrivals \$10-13, with an odd extreme lightweight as low as \$9. Stocker and feeder receipts were moderate, trade active and prices strong as compared with the close of last week. Two carloads and a few lots of common and medium lightweight steers, \$12-18.75.

CALVES—Vealers active and \$1 higher for the two-day period as compared with the close of last week. The practical top advanced to \$20. Mixed lots of good and choice 120-220-pound vealers, \$19-20.00, and medium grades, \$13-18.50, and culls around \$12, with some extreme lightweight as low as \$7.

HOGS—Swine trading active for the two-day period this week as compared with the close of last week. The practical top and popular price remained at \$20. Lately sorted lots of good and choice 120-220-pound spring lambs, \$10-10.50, \$14-16. Common lambs sold around \$14, with lightweight culls selling downward to \$10. Slaughter ewes sold at \$10-12.00, higher, good, choice shorn slaughter ewes \$7-7.50, with culls as low as \$2.50.

ORDINANCE NO. 105

LAYING OUT, OPENING, WIDENING, STRAIGHTENING, EXTENDING AND ORDAINING A STREET IN THE BOROUGH OF LITTLESTOWN, ADAMS COUNTY, PENNSYLVANIA, EXTENDING FROM NORTH QUEEN STREET TO PARK AVENUE AND TO BE KNOWN AS LOCUST STREET.

Be it Enacted and Ordained by the Burgess and the Borough Council of the Borough of Littlestown, Adams County, Pennsylvania, and it is hereby enacted and ordained by authority of the same that a public street, being an extension and widening of Locust Street in said borough, be laid out, opened, widened, straightened and extended for a uniform width of thirty-five (35) feet, of which seventeen and one-half (17 1/2) feet, of which including five (5) feet for sidewalk, shall be on each side of the following line, to-wit:

BEGINNING at a point at the eastern side of North Queen Street, which point is two hundred eighty-nine and nine-tenths (289.9) feet northwardly from the northern curb line of East King Street and extending thence north sixty-seven and one-half (67 1/2) degrees east, thirty-four hundred ninety-two and forty-six hundredths (392.46) feet to a point at the west side of Park Avenue, which point also is two hundred eighty-nine and nine-tenths (289.9) feet northwardly from the northern curb line of East King Street.

And that said street be now placed on the plot of ordained streets and alleys of the Borough of Littlestown, Adams County, Pennsylvania, and be known as Locust Street.

Enacted and ordained into an ordinance this 27th day of August, 1946.

CLAUDE A. SNYDER, President.

Attest: Roger J. Keefe, Secretary.

Approved this 27th day of August, 1946.

CHAS. R. MEHRING, Burgess.

NOTICE

Notice hereby given that the attached ordinance was enacted and ordained at a stated meeting of the Borough Council of the Borough of Littlestown, Adams County, Pennsylvania, on August 27th, 1946, by the affirmative vote of three-fourths of the whole number of councilmen and was approved by the Burgess. Said ordinance will be finally adopted at a meeting of said Borough Council, to be held on the 30th day of August, 1946, at 8:00 o'clock, P. M. Daylight Saving Time, 7:00 o'clock, P. M. Eastern Standard Time, on September 24th, 1946. Objections to such final adoption shall be heard at the time and place aforesaid.

By direction of the Borough Council.

Russia Tells U. S. To 'Mind Own Business'

Moscow, Sept. 4 (AP)—Russia has rejected American expression of concern relative to bilateral Soviet-Swedish trade negotiations in a note in which the official Russian news agency said the United States was told, in effect, to mind its own business.

Tass, the Russian news agency, announced the rejection Monday night and quoted the note of rejection as saying that the "Soviet government—and it may be assumed the government of Sweden—are not in need of consultation with the United States government on the question of the advantage or disadvantage they will reap from trade agreements."

(Sweden in effect, rejected the U. S. note—in which the hope was expressed that Russia would not undertake any obligations in con-

DUFF PROMISES BETTER FISHING

Harrisburg, Sept. 4 (AP)—Attorney General James H. Duff told sportsmen here last night that "the time is not many years away when it will be possible to catch fish again" in the rivers of Pennsylvania.

"For the first time in the history of the commonwealth the whole business of clearing the streams of Pennsylvania of pollution is definitely on its way," the GOP candidate for governor said. "And nobody and no group of bodies is big enough to stop it."

Duff said "water in our rivers good enough for the native fish of Pennsylvania to live in will be good water for a public and industrial water supply."

He advocated erection of dams in smaller streams of the state, saying they will "gather and impound water in the wet season and help solve our flood problem 'up-stream' where the trouble begins" and create thousands of fishing places.

Duff spoke at the Keystone Sportsmen's club's welcome home banquet for veterans.

NEW STATE GEOLOGIST

Harrisburg, Sept. 4 (AP)—Dr. Ralph W. Stone has assumed the duties of state geologist, succeeding Dr. George H. Ashley, who officially retired after serving 27 years in the post. Dr. Stone, who took over his new job yesterday, will retire December 31, when he will be 70.

UNION VOTES POWER STRIKE AT PITTSBURGH

Pittsburgh, Sept. 4 (AP)—Industrial Pittsburgh girded today for its second power strike in seven months, following a strike vote by Duquesne Light company employees.

The workers, members of the Independent Association of Duquesne Light Co. Employees and Associated Companies, voted 1,008 to 580 last night to call a strike "as soon as possible" to enforce a wage increase and other contract demands.

The union's executive committee was scheduled to meet this morning to set a deadline for the work stoppage.

George I. Mueller, union president, said a strike "might be called within four days," depending on working shifts, vacation schedules and other factors.

Notice Expires

A 30-day strike notice filed by the union in Washington under the Smith-Connally act, expired at midnight Saturday.

Mayor David I. Lawrence, who had been in almost continuous session with the company and union since Friday in an attempt to avert the stoppage, appealed to the public to "use every influence it can on both company and union."

"I do not accept the strike vote as meaning that a strike is inevitable," the mayor said. "I am calling the parties to meet with me again at 2 p. m. EDT Wednesday. x x x There are no issues here so insurmountable that they cannot be adjusted by honest negotiation or by arbitration."

Seek 20 Per Cent Raise

Union demands include a 20 per cent wage increase and a master contract for the nine associated companies.

Before the union voted by secret ballot to strike, it rejected by an overwhelming voice vote an eleventh hour company proposal embodying 20 points to which the company would agree.

Last February 12 a 19-hour power strike resulted in a partial blackout over an 817-square mile area, including metropolitan Pittsburgh, and virtually paralyzed business and commercial life.

That strike was "suspended in the interests of the public." Another strike threatened a week later but was called off at the eleventh hour when the union agreed to arbitration. A board of arbitration gave the employees an 18-cent hourly pay boost.

SCHOOLHOUSE BURNS

York Pa., Sept. 4 (AP)—The 1946-47 term of the rural Bethel school had a short run. Thirty-two children reported for initial classes Monday. When they came back Tuesday the school had been destroyed by fire.

SALES TO VETERANS

Mechanicsburg, Pa., Sept. 4 (AP)—Ex-GI's have purchased more than \$100,000 worth of surplus government property in four days of a sale being conducted by the War Assets Administration at the Mechanicsburg Naval Supply Depot, officials reported today.

Philadelphia Faces Shortage Of Meat

Philadelphia, Sept. 4 (AP)—The nation's third largest city appeared headed today for an acute meat shortage as three independent meat packers who kill about half of the city's beef, veal and lamb, cut off deliveries to approximately 2,500 retail butchers.

Spokesmen for the Consolidated Dressed Beef company, Cross Brothers, and South Philadelphia Dressed Beef company, said they have been forced to cut off deliveries because livestock producers have refused to sell at ceiling prices. One company official said his firm will close "until the supply and price situation come into balance."

George Casey, president of John J. Felin and company, incorporated, one of the area's largest pork packers, said pork supplies have been cut 75 per cent because "we haven't been able to buy one hog since early last week. If we fail to get additional shipments by the week-end, we will close down for an indefinite period."

British Re-Group Middle East Units

London, Sept. 4 (AP)—A British foreign office spokesman said today that some British troops are being withdrawn from Greece now that general re-grouping of British forces in the middle east.

London newspapers earlier today suggested that British troops be withdrawn from Greece now that the Greek people have voted in a plebiscite to recall King George from his London exile.

The British government has been committed to withdrawal of its forces as soon as the political situation became stabilized by elections.

The foreign office spokesman said however that no general withdrawal was in immediate prospect and that there was "no political significance" to the present troop movements.

He declined to give the number of men being moved out of Greece. The latest announced strength of British forces in the Hellenic kingdom was at least 50,000.

GIVES FACTS ON THUMB-SUCKING AMONG INFANTS

By FRANK CAREY

Philadelphia, Sept. 4 (AP)—Thumb-sucking is three times more prevalent among children of middle class families than among children of the poor, a Detroit psychologist said today.

Dr. Martha Ericson indicated the reason is that youngsters on the "gold coast" are nursed less by their mothers and are bottle-fed for shorter periods, than the "tenement child."

Social Differences

She reported the finding in an address prepared for the 54th meeting of the American Psychological association at the University of Pennsylvania.

Dr. Ericson, of Detroit's Merrill Palmer school, said this was only one of several differences in child-rearing practices of the two classes, gleaned from interviews of 48 middle-class and 52 lower-class mothers in Chicago.

Declaring the two classes had differing expectations for their children which affected the youngsters' outlook and behavior, the doctor said school teachers should take these differences in "social environment" into account when dealing with an individual child.

Early Feeding Habits

With regard to early feeding habits, she said:

"In the middle class families, few-

er children are breast-fed than in lower class families, and where they are breast-fed, it is for a shorter period of time than the lower class children. Fewer middle class than lower class children are completely breast-fed.

"Middle class children also tend to be bottle fed for a shorter period of time than the lower class children. Middle class children are rarely fed at will and are almost never given pacifiers (rubber nipples minus the bottle.)

"Three times as many middle class as lower class children suck their thumbs."

Sarlin To Meet Comiskey In Ring

Pittsburgh, Sept. 4 (AP)—Erv Sarlin, Pittsburgh, meets Pat Comiskey, Paterson, N. J., heavyweight tonight in a 10-round feature of an All-Star boxing program at Forbes Field.

Since his discharge from the army some months ago, Sarlin has lost only once in six fights—to Johnny Colan by a decision.

Other fighters on the card are lightweights Dorsey Ray, Philadelphia, and Gene Burton, New York; middleweights Ossie Harris, Pittsburgh, and Dave Clark, Cincinnati.

To those who are awaiting delivery of their New Oldsmobiles

Series "70" Club Sedan. GM Hydra-Matic Drive optional at extra cost.

A Word of Appreciation . . . and a Suggestion, too!

We know how anxious you are to get your new Oldsmobile. And there's nothing we'd like better to do, right now, than to say to every Oldsmobile buyer: "Your car is here. Come get it!"

But frankly, it just isn't possible to do that. There still aren't enough new Oldsmobiles to go around. Due to shortages in materials and unavoidable limitations on production, the output of new cars still is behind schedule. And our allotments are far below the figures that we originally anticipated.

We want to assure you, however, that everything possible is being done, both here and at the factory, to get your car in your hands promptly. And we'd like to take this occasion to thank you sincerely for the patient and considerate way in which you have borne with us during this period of waiting.

Meanwhile, we have an important suggestion: *Don't neglect the car you drive today.*
